To Whom It May Concern:

This letter is confirmation that FRC Internet Products, LLC is applying for a FCC change in ID for product previously authorized under FCC ID SWX-XR2 by Ubiquiti Networks on 2/16/2007. FRC Internet Products, LLC would like to use this module under their own FCC ID of W93-ABCAU500G. With the exception of a new ID label, this module will be used exactly as supplied by Ubiquiti Networks, and thus the original test results continue to be representative of and applicable to the equipment bearing the changed identification.

FRC Internet Products, LLC also confirms that this module will be installed only in their own equipment.

Sincerely,

A handwritten signature in black ink, appearing to read "Susan Raji". The signature is fluid and cursive, with a large initial "S" and "R".
